NDLLED9286M 35W	3000K/3500K/4000K/5700K	2,530 lm	>80	>0.95	15°/24°/36°/60°

# Structure and details

**High-quality housing construction**  
The housing is made of 5mm thick aluminium to give it strength, durability and excellent heat dissipation properties for a long life.

**High-end material**  
Made from high quality aluminium material, specially designed for high end projects.

PF > 0.9, CRI > 80

**Easy to match different styles**  
Four different color options made to match most of design requirements.

**Glare-proof lighting**  
This fitting will deliver glare-free lighting in almost any installation.
